

Need extra warehousing in Torbay?

Select Facilities now offers new secure and modern warehouse facilities for up to 700 pallets as well as commercial storage and archiving.

Cost Benefits of Local Warehousing:

- Enjoy competitive local rates
- Expand your business without the cost or risk of buying or renting buildings and equipment
- Reduce costly freight & surcharges
- Minimise the impact of rising fuel prices
- Reduce your handling costs
- Better utilise existing office space by removing archiving

Archive - Free up valuable space

Storage - Short or Long term

Modern warehouse equipment

Save Time & Inconvenience with local warehousing

- Improve your response time
- Reduce your lead times
- Minimise risk of transport delays
- Grow your business quickly without huge investment
- Enjoy the convenience of having your goods local
- Manage seasonal fluctuations in stock

Warehouse locally to improve environmental impact

- Reduce the carbon footprint of your goods
- Reduce food miles (where applicable)
- By improving your carbon footprint you help your customers improve their own environmental impact
